

## Principal

Coast Christian School is a growing K-6 school in Bensville on the NSW Central Coast with a vision to see children gain a "Foundation for Life". The school has a unique mission of "Creating an environment of discovery where God, people and purpose connect". It is nestled in a unique rural setting only a stone's throw away from Bouddi National Park and a number of stunning beaches and waterways.

The position, commencing January 2020 or by negotiation, will be responsible for the leadership and management of the school and report to the school board. The successful applicant will be required to demonstrate leadership with strong biblical principles, innovation and vigour in all aspects of school life. They will possess excellent communication and interpersonal skills and recognise the value of the school within a broader community context. Applicants should also be a relational leader who can lead the school through the expected season of growth.

Applicants should have a strong understanding and passion for Christian education. They will hold relevant qualifications and have experience in educational leadership and school operations management.

Coast Christian School is a significant ministry of Coast Community Church therefore the Principal is a member of the Ministry Leadership Team of Coast Community Church. The successful applicant would be expected to be a committed Christian, subscribing to the shared values of the school and church, attending Coast Community Church as an active partner, and participating in the broader school/church community.
