1. Purpose

This Child Safe Code of Conduct outlines the values, commitments and expectations of Coast Christian School (the 'School') in relation to keeping children safe and protected.

2. Scope

This Code applies to all School Community Members and is required to be acknowledged by the following persons (by signing the attached Acknowledgment):

- All paid employees whether employed on a permanent, temporary or casual basis, and
- All persons who have been engaged to work within the School or who have face-to-face contact with Students in any place and on any basis, including persons from Coast Community Church, consultants, Student Teachers on tertiary practicum placements, or adult volunteers (including parents) working with Students in any capacity.

This Code applies to - but is not required to be signed by - those who are not alone with Students at any time (eg an Amazing Me facilitator who is always in the company of teachers).

3. Statement of Commitment to Child Safety and Wellbeing

The safety, welfare and wellbeing of children is the paramount consideration¹ for all School employees and volunteers under this Code, and the School has a zero tolerance for child abuse and neglect and any form of child and young person mistreatment.

The School acknowledges that children, like adults, possess human rights and that children have the right to special protection because of their vulnerability to exploitation and abuse². In the context of the School, children have the right to learn in a safe, caring, accepting and protected environment.

The School is committed to following all measures legislated to protect children and young people, including the 2019 National Principles for Child Safe Organisations developed by the Australian Human Rights Commission in response to recommendations

¹ Section 7 – Children's Guardian Act (NSW) 2019

² United Nations Convention on the Rights of the Child (CRC) 1990

by the Royal Commission into Institutional Responses to Child Sexual Abuse. Additionally, the School’s Biblical Christian worldview compels us to protect and support children - and any other vulnerable person - from harm.

Although the Keep Them Safe initiative³ has ended, the School continues to adopt the key precepts of the program; ensuring that caring and supporting children is ‘first and foremost the responsibility of parents, families and communities’ and acknowledging our crucial role in keeping the students in our care safe.

The School is committed to providing a child safe environment where children and young people are safe, feel safe and are supported, respected and empowered to learn in a Christian setting.

The School acknowledges our duty of care to keep children safe and protect them from the many forms of child abuse (including physical, sexual and psychological abuse, ill-treatment and neglect) and aims to take a proactive rather than reactive approach to fostering student safety and wellbeing.

4. Our Values in relation to Students

At School, we seek to create a caring environment where Christian values inspire and affirm the highest standard of ethical conduct in relation to the care, safety and protection of Students entrusted to us.

6. Concerning Behaviours

Some examples of concerning behaviours are provided below and are further detailed in the Child Safe Policy (available on the School's website). These are behaviours that on their own may not constitute a breach of the Code of Conduct but together may indicate a pattern of behaviour that poses a risk to the safety of children:

- Being alone with a child (not a family member) when there is no professional reason for doing so.
- Showing favour to one child over others.
- Babysitting and/or mentoring a child out of work hours (without the Principal's approval for this kind of employment).

All staff, volunteers, families and community members are encouraged to speak up if they have concerns about the safety of children. Complaints about a breach of this Code of Conduct must

be reported to the School Principal on: (02) 4368 3377 or via email: principal@coastcs.nsw.edu.au

If the concern relates to the School Principal, concerns about the safety of children need to be reported to the Chair of the School Board via: boardchair@coastcs.nsw.edu.au.

Some breaches of this Code of Conduct may need to be reported to the NSW Police, the Department of Communities and Justice (DCJ) and the Office of the Children's Guardian. The School's *Child Safe Policy* and *Complaints and Grievances Policy* provide more information about reporting obligations to external authorities as well as describing protections and confidentiality provisions for anyone making a report (Additional information is also located in the *Whistleblower Policy*). A printed copy of these policies can be obtained from Office Staff at Reception. They are also available as a link on the School's website.

Staff and volunteers who breach this Code of Conduct may also be subject to disciplinary action, as noted in Section 8.3 of the School's *Child Safe Policy*. This can include:

- a written warning/caution,
- summary dismissal (for serious misconduct),
- report to external authorities (including DCJ, OCG, NSW Police etc)
- other actions under the *Staff Discipline Policy* as may be relevant.

Detailed descriptions of breaches are found in our *Staff Discipline Policy*. A copy of this can be obtained from Office Staff at Reception.

Adults in children-related work at the School (as an employee or volunteer) will commit an offence if they know another adult poses a serious risk of abusing a children (under 18 years), and they have the power to reduce or remove the risk, and they negligently fail to do so (This is deemed a *Failure to protect* under section 43B of the Crimes Act 1900).

All adults in NSW are required to report information to police if they know, believe or reasonably ought to know that a child (under 18 years) has been abused. Not reporting is a criminal offence under section 316A of the Crimes Act 1900 as a *Failure to report*.
